

## Geography Progression of Knowledge and Skills

**Key to understanding this document: Black = National Curriculum objectives Red = Skills to be taught Blue = Knowledge Green = Resources to be used**

*At The Discovery School we understand the importance of our children knowing more, remembering more and doing more. With this in mind, we teach the children the knowledge they require, ensuring they have opportunities for the retrieval of knowledge and the chance to apply new skills during their learning.*

Year Group	EYFS	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
<b><u>Locational Knowledge</u></b>	<p>Draw information from a simple map.</p> <p>Maps of the classroom, maps of walks to school or around the school, story maps</p> <p>Recognise some similarities and differences between life in this country and life in other countries.</p> <p>Explore the natural world around them.</p> <p>Recognise some environments that are different to the one in which they live.</p> <p>Describe their immediate environment using knowledge from observation,</p>	<p>Name and locate the four countries of the United Kingdom and the capital city of London.</p> <p>Simple outline maps of the UK with capital cities marked with a dot.</p> <p>Name and locate a local town.</p> <p>Kings Hill West Malling</p>	<p>Name, locate and identify characteristics (see human and physical features) of the four countries and capital cities of the United Kingdom and its surrounding seas.</p> <p>Villages, towns, cities and famous land marks of each country</p> <p>Simple outline maps of the UK with capital cities and other famous land marks marked with a dot.</p> <p>Name and locate the world's seven continents and five oceans.</p> <p>Simple outline maps of the world with the seven</p>	<p>Name and locate countries and cities of the UK , geographical regions and their identifying human and physical characteristics, key topographical features (in hills, mountains, coasts and rivers) and land-use patterns; and understand how some of these aspects have changed over time.</p> <p>Cities should include those other than the capital cities of each country of the UK that was learnt in Year 2. (Link to Stone Age/Iron Age)</p> <p>Simple outline maps of the UK</p>	<p>Locate and name the main counties in the south of England.</p> <p>Kent, Surrey, Essex and East Sussex (Link to Roman invasion)</p> <p>Simple outline map of the UK counties marked and some major county towns.</p> <p>Using maps to focus on Europe (including Russia) concentrating on their environmental regions, Key physical and human characteristics, countries and major cities.</p> <p>Italy – Rome Germany Denmark Holland</p>	<p>On a world map locate the main countries in Africa. Including Egypt, South Africa, Tunisia and Kenya</p> <p>Identify their main environmental regions, key physical and human characteristics, and major cities.</p> <p>Tunis Cairo Nairobi Cape Town Savannah Desert Coasts Mountain ranges</p> <p>Locate and name the main Northern counties in England.</p>	<p>Locate the main countries in North, Central and South America. Locate and name principal cities.</p> <p>Canada United States Brazil Chile Argentina Peru Mexico</p> <p>Simple outline of North, Central and South America Map showing the outlines of the different countries.</p> <p>Linking with local History, map how land use has changed in local area over time.</p> <p>WW2 London Chatham Docks</p>

	<p>discussion, stories, non-fiction texts and maps.</p> <p><b>Explain some</b> similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and (when appropriate) maps.</p> <p><b>Know some similarities and differences</b> between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class.</p> <p><b>Understand some important</b> processes and changes in the natural world around them,</p>		<p>continents and five oceans</p>	<p>with capital cities and regions marked (South East, North East etc.)</p>	<p>(link to Anglo Saxons) Simple outline of Europe and Russia Map showing the outlines of the different countries.</p> <p><b>Identify</b> the position and significance of the equator and the Northern and Southern hemispheres.</p> <p>Simple world map showing the 7 main continents and 5 oceans and equator</p>	<p>Include Norfolk, Suffolk, Yorkshire, Lincolnshire (Viking counties)</p> <p>Compare 2 different regions in UK rural/urban.</p> <p>Linking with History, <b>compare</b> land use maps of UK from past with the present, focusing on land use.</p> <p><b>Market Towns Land use</b></p> <p>Identify the position and significance of the tropics of Capricorn and Cancer. Simple world map showing the 7 main continents and 5 oceans and the equator and tropics.</p> <p><b>Identify</b> the position and significance of latitude/longitude and the Greenwich Meridian. (Linking with science, time</p>	<p><b>Name and locate</b> the key topographical features including coast, features of erosion, hills, mountains and rivers. Understand how these features have changed over time.</p>
--	--	---	-----------------------------------	---	--	--	---

	including the seasons.					zones, night and day)	
<b>Place Knowledge</b>		<p>Observe and describe the human and physical geography of a small area of the United Kingdom – <b>West Kent.</b></p> <p><b>River Medway</b> <b>North Downs</b> <b>Kings Hill Woods</b></p>	<p>Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area</p>	<p>Understand geographical similarities and differences through studying the human and physical geography of a region of the UK. <b>Main cities of the UK</b></p>	<p>Understand geographical similarities and differences through studying the human and physical geography of a region in the United Kingdom and region in a European country.</p>	<p>Compare a region in UK with a region in Africa with significant differences and similarities.</p>	<p>Compare a region in UK with a region in N. or S. America with significant differences and similarities.</p>

		<p>Football Stadium Golf Course Airfield M20 Development</p>	<p>in a non-European country. Arctic Kings Hill</p>	<p>Coasts, Mountains and Rivers of the UK</p>	<p>(this could be linked to counties of UK with Saxon Borders in History) Holland – reclaimed land Eiffel tower Alps Seine Rhine Pyrenees Black Forest</p>		
<p><u>Human and Physical Geography</u></p>		<p>Identify seasonal/daily weather patterns in the UK Weather relating to each season Weather local to Kings Hill</p> <p>Identify physical and human features of subject areas.</p> <p>Use basic Geographical vocabulary to refer to key physical features including: (hill, river, season, weather) and human features</p>	<p>Identify seasonal/daily weather patterns in the UK and the location of hot and cold areas of the world in relation to the equator and the North and South poles. Compare weather in Kings Hill to weather in the Isle of Struay (Katie Morag book link)</p> <p>Use basic Geographical vocabulary to refer to key physical features (inc. – beach, cliff, coast,</p>	<p>Describe and understand key aspects of: Physical geography including key topographical features (hills, mountains, coasts, rivers) and land patterns; and understand how some of these aspects have changed over time. (just the United Kingdom)</p>	<p>Types of settlements in modern Britain: villages, towns, cities (Saxons) This could be linked to counties of UK with Saxon borders in History and within locational knowledge link in geography.</p>	<p>Describe and understand key aspects of Physical geography including coasts, rivers and the water cycle including transpiration (LINK TO SCIENCE); climate zones, biomes and vegetation belts.</p> <p>Human geography including trade between UK and Europe and ROW</p> <p>Fair/unfair distribution of</p>	<p>Describe and understand key aspects of Physical geography including Volcanoes and earthquakes, looking at plate tectonics and the ring of fire.</p> <p>Distribution of natural resources focussing on energy, food, minerals and water.</p>

		(including; city, town, village, farm, house, office, shop)	forest, mountain, sea, ocean, soil, valley, vegetation,) and human features (including; city, factory, port, harbour) of a contrasting non-European country.			resources (Fairtrade).	
<p><b>Geographic Skills and Field work</b></p>		<p>Use locational and directional language (e.g. near and far, left and right), Describe the location of features and routes on simple maps.</p> <p>Use photographs to recognise landmarks and basic human and physical features; devise simple picture maps.</p> <p>Use simple fieldwork and observational skills to study the geography of their school and its grounds.</p>	<p>Use world maps, atlases and globes to identify the United Kingdom and its countries.</p> <p>Use simple compass directions (North, East, South and West), to describe the location of features and routes on a map. (Maths Link)</p> <p>Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features: devise a simple map; and use and construct basic symbols in a key.</p>	<p>Use maps, atlases and globes to locate countries and describe features studied.</p> <p>Learn the eight points of a compass, four-figure grid references, symbols and key (including the use of Ordnance Survey maps) to build their knowledge of the United Kingdom. Create own symbols and keys and use ordnance survey symbols: River, road, woodland, rail, gold course, stations, church.</p> <p>Use fieldwork to</p>	<p>Use maps, atlases, globes and digital/computer mapping (Google Earth) to locate countries and describe features studied.</p> <p>Study a section of ordnance survey symbols not covered in the Year 3 curriculum such as: bridges, school, picnic area, visitor centres, houses, toilets, post office, and museums.</p> <p>Begin to use the eight points of a compass, and four-figure grid references.</p>	<p>Use maps, atlases, globes and digital/computer mapping (Google Earth) to locate countries and describe features studied.</p> <p>Use the eight points of a compass, extend to six-figure (when ready) grid references, symbols and key (including the use of Ordnance Survey maps study an area of an OS in detail) to build their knowledge of the United Kingdom in the past and present.</p> <p>Use fieldwork to</p>	<p>Use maps, atlases, globes and digital/computer mapping to locate countries and describe features studied.</p> <p>Use 6 figure grid references with teaching of latitude and longitude in depth.</p> <p>Expand map skills to include non-UK countries.</p> <p>Use fieldwork to observe, measure and record the human and physical features in the local area using a range of methods, including sketch maps, plans and</p>

			<p>Use fieldwork and observational skills to study the key human and physical features of the school's surrounding areas. Kings Hill</p>	<p>observe, measure and record the human and physical features in the local area using a range of methods, including sketch maps, plans and vertical bar graphs, and digital technologies.</p>	<p>Use fieldwork to observe, measure and record the human and physical features (compare Kings Hill/Maidstone with another area of using a range of methods, including sketch maps, plans and horizontal bar graphs, and digital technologies.</p>	<p>observe, measure and record the human and physical features in the local area using a range of methods, including sketch maps, plans and line graphs, and digital technologies</p>	<p>comparable line graphs, and digital technologies.</p>
