Dear Parents and Carers,

I am writing to advise you that Miss Gobell is currently absent from school. You will be aware that she was recently unwell. Unfortunately, Miss Gobell has been identified with an underlying health condition that has required urgent tests and treatment in hospital. As a result, she has been unable to attend school.

In between treatments, Miss Gobell has been able to access work remotely and has continued to liaise with Miss Baker, Deputy Headteacher, on a daily basis so that she is kept fully informed of operations within school. Miss Gobell does expect to be able to return to school intermittently from Wednesday of next week.

Miss Gobell is happy for me to share this information with you so that you are fully apprised of her absence and her current lack of visibility in school.

The Governing Body wishes to reassure you that Miss Baker, supported by senior members of staff, has our full confidence and is ensuring that the School continues to be exceptionally well led during this time. The Governing Body also wishes to thank Miss Baker for stepping into the fray at such a busy time.

Should Miss Gobell's absence need to continue beyond next week, I will write to update you. In the meantime, I am sure you will join me in wishing her a speedy recovery.

With kind regards,

Mrs. A Cornell
Chair of Governors
