Monday 30<sup>th</sup> November 2020

Dear Parents and Carers,

**EYFS Nativity Play**

As you are aware, the children in EYFS will be performing their Nativity play this week and will be having it filmed. This is because we are unable to have an audience this year due to COVID-19 restrictions. We know that a video will not be the same as seeing the play in person, but we hope that it will go some way towards providing you with a lasting memento.

In addition to the filming, we have been able to arrange for a photographer to come into school to take some photographs of your children in their costumes and whilst performing the Nativity play. All photographs will be taken safely and in accordance with COVID-19 protective measures.

The photographs will then be available for you to purchase via the photographer, should you wish to. You are of course under no obligation to do so, but we wanted to provide you with the opportunity as you will not be able to take photographs yourselves this year. The school also hopes to purchase some of the pictures to put on our school web-site.

In order for the photographs to be taken, the school needs to ask your specific consent under GDPR (General Data Protection Regulations). If you are happy for your child to be photographed, please can you sign and return the consent form below, **no later than Thursday 3<sup>rd</sup> December.** Unfortunately, if we do not receive your consent, we will be unable to include your child in any of the photographs.

With kind regards,

*T. Gobell*

Miss T Gobell  
 Head Teacher

.....✂.....

I do give consent for my child to be photographed whilst performing in the Nativity play: Yes / No

I do give consent for the School to use a photograph of my child on the School's website: Yes / No
