Monday 20th June 2022

Dear Parents and Carers,

Staffing News

It is the time of year when inevitably, some staff decide it is time to make a change or move onto pastures new. It is also a time when we get to welcome new staff to our lovely school. With that in mind, I am writing to let you know of some of the staff changes for September 2022.

After twelve years of dedication to the children at The Discovery School, Mrs Latter has decided to take up a new post as a nursery teacher. Miss Laverick will also be making a change in September as part of her longer term plans to teach in Germany. In order to qualify for the German education system, Miss Laverick requires experience in the private education sector. So with much sadness, she will be moving to a private school in September. Finally, we are delighted that Mrs Rayward has just qualified as a teacher and so will be leaving her position as a Teaching Assistant at The Discovery School to take up her first teaching post in September.

Each of these staff members has worked hard during their time with us and contributed much. Whilst we are delighted at their exciting plans for September, we will miss them very much, but wish them every success for the future.

In September, we will be welcoming four new teachers to The Discovery School. Mr Tom Miller, Miss Laura Stock and Mrs Hannah Robinson will be joining us along with Mrs Jade Repsch who has been appointed as a class teacher and Year Group Lead. Each has a wealth of different experiences which will add so much to the skills and expertise already existing within our teaching team. All four teachers will be visiting the School during the next few weeks so that the children have the opportunity of meeting them before the end of the summer term.

On Wednesday 29th June, the children will be told who their new teachers will be in September and you will also be informed on this day. We will shortly be starting our transition programme for the children so that every child feels confident and happy about arrangements for September. Miss Baker will be writing to you shortly with more details about this.

In the meantime, I am sure you would like to join me in thanking our staff that are leaving for their commitment and hard work and in welcoming our new teachers to our fantastic school.

With kind regards,

Miss T Gobell
Head Teacher
