

PSHE

Relationships

- To know about the roles of different people (e.g. acquaintances, friends and relatives) play in our lives.
- To be able to identify the people who love and care for them and what they do to help them feel cared for.
- To know about different families including those that may be different to their own are characterised by love and care.
- To be able to identify common features of family life
- To know that it is important to tell someone (such as a teacher) if something about their family makes them unhappy or worried.

Living in the wider world

- I know what rules are, why they are needed and why different rules are needed for different situations

Health and wellbeing

- I know about different feelings humans can
- I know how to recognise and name different feelings.
- I know ways of sharing feelings; a range of words to describe feelings.
- I know what makes me special.
- I can recognise the ways in which we are all unique.
- I can identify what I am good at; what I like and dislike.
- I know a range of strategies to use when I find things difficult.
