(Please make sure packed lunch items can be disposed of when we stop for lunch and the toilet – Fleet services.)

Accommodation

Bedtime Routine:

After the evening activity, children will be able to wind down in a communal area, chill out in their rooms or take a shower. Plenty of sleep is required to recharge their batteries – final lights out will be 10.00pm.

Room Groups

- Each room will sleep up to four children; girls and boys will be sleeping separately.
- Children have been given the opportunity to list four people they would like to be in a room with.
- Each room will be close to a room occupied by a Discovery member of staff. Staff rooms will be signposted so they can be easily located should children require assistance during the night.
- Children will be told their room groups upon arrival at PGL.

What to bring: Packing

- It is really useful if you can pack the bag with your child so they know exactly what should be in their bag when they leave PGL – make sure you include a bin liner for muddy clothes or wet towels!
- It can be really useful if you can use the kit list to pack and then stick on the inside of your child's bag.
The children can then independently 'tick off' all their items as they pack them up.
- Please make sure all packed items are clearly named.

No Mobile Phones or Electrical Items

- We / PGL cannot guarantee the safety of expensive electronic items.
- Children will only use their phones to contact you in their 'low' moments and this will be more upsetting for both you and them.
- Children can bring an 'older' digital camera but we strongly recommend a disposable one.

Keeping in Touch

- Children will be too busy enjoying themselves to worry about home and we are only there for a weekend!
- We would inform you immediately if there were a medical issue that you need be made aware of.
- If the Wi-Fi is working on site, we will endeavour to give a brief update on the day's activities using the School Comms system.

Emergency Contact

- In real emergency situations, if you need to get in contact with a member of staff on the trip, you can call the school and they will get in touch on your behalf.
- If there is a real emergency outside of school hours, you can contact the PGL Osmington Bay Reception - which operates 24 hours – who will then contact a member of The Discovery School Staff.

Rules on the Trip & Code of Conduct

- We expect **exemplary** behaviour from the pupils on the trip.
- This will include the children being polite to all members of staff (both school and PGL) and following all instructions first time; having excellent manners; being respectful to each other and working hard as part of their group.
- Nearer the time, the children will be given the code of conduct for the trip that they are expected to follow. All children are already aware of this.
