

# Story of the Colossus

By Harry F

He was on a dangours quest through cursed islands, Magical meadows, and weird woods. His blond hair whipped around in the wind as the sea below him, which was crystal clear, splashed below him. Once he came to the woods he walked through a big and magical temple he came to a vast and towering bridge that looked like a rib cage of a massive dinosaur as he walked across it his heart filled up with happiness. He was delighted when he got to the massive vast doors of the castle he looked up and saw eagles circling the doors and then the massive doors opened then the horse whinnied like mad but the wonderer kicked his horse and the horse carried on down the pitch black stair.

At the bottom they came to a domed roof and a spiral stair case as he made his horse go down the stairs as he walked and saw lots of

calving's on the walls eventually he came to the bottom of the stairs he saw a room with light pouring in as he jumped of his horse and got of a bundle of clothes and put it at the front and ripped of the clothe it was a girl but dead and he said to someone

"CAN YOU SAVE MY GIRL" said the wonderer a voice replied

"YES BUT YOU HAVE TO DO A DEAL FOR ME FIRST" ok replied the man

"WHAT DO I HAVE TO DO FOR YOU "

"DESTROY THE MASIVE AND VAST GOBBER"

"BUT HOW AM I SOPPOSED TO KILL HIM"

"JUST KILL HIM kill him kill him"

"OK DO WHAT HE TELLS ME" so he got on to his horse and galloped of as he was galloping he was hungry and shot a lizard and eat it and carried on he stopped at the abandoned castle he left his horse his horse and did some parkour and eventually got up he saw the gobber he tried to get up to the monster he stabbed it in the back of the leg. The monster fell and the man climbed on to the back of the gobber and on to the head and stabbed the monster on the head and his sole poured out on to the mans body and it was to much so the man fainted and teleported back to the temple he woke up to see a black sole in his face and the the figure suddenly disappeared into thin air and the statue started to crack and then exploded the said to himself "well atlaest the gobber is dead but I have 15 more to defeated at least my girlfriend is going to come back alive "

**"Hello is that you tom "tom turned around and his true love is alive waiting before him "YES IT IS YOU" then tom wanted to take her home she said yes and tom wet back the way he came through cursed island magical medows and weird woods till they came back to the crystal clear sea and then a eagle flew past and then they walked down to toms home they lived happily ever after.**
